Dear Mr. Jan Meijer,

Thank you for your letter of October 31st, in which you ask SECAR for its views on the Golden Rock project at the airport. You've stated that you would like to hear our point of view and considerations.

I would like to thank you for your understanding that the Golden Rock project is upon the request of the Public Entity Sint Eustatius. SECAR is in full cooperation with both government and the Statia Heritage Research Commission (SHRC). We will await the recommendations of the SHRC and subsequently the decisions from government.

SECAR kindly suggests that you contact the government and the Commission for any questions and/or concerns. In advance, I have sent a copy of your letter and this reply to the Government Commissioners and the chair of the SHRC.

Respectfully,
